

## Albrecht Motor Bike Headset Connection Cable Assembly

### VOX+PTT- version BHS 300 N

### Differences between BHS 300 U and BHS 300 N

Resistor position changed and speaker wiring corrected

This version can only be used for new PMR radio models, which can detect VOX / PTT, and for PMR 446 radios with Intercom connectors (G8, ALAN 456 R, Tectalk Action Pro) - Not for use with Bluetooth adaptor cables BT 312
